Child Sponsorship

Clementia Life Centre

LEBANON

MINISTRY SNAPSHOT

The situation:

Lebanon continues to be the country hosting the largest number of refugees per capita, since the civil war in Syria began. More than half of refugee children between the ages of three to 18 are still out of school due to a significant lack of space. Many of these children need to either work or care for their siblings while their parents go to work, making them more exposed to all kinds of abuse and deprived of their basic needs and rights.

Project description:

Located in Kesrouan, Lebanon, Clementia Life Centre (CLC) is a non-residential program serving 120 refugee students (ages 5-15) and their families. The desire is to empower disadvantaged families through relief, training, development, and protection. CLC provides education, training in life-skills, professional psychosocial support, nutritious meals, relief and aid to the families, and spiritual support by exposing children to the love and truth of Jesus. More recently, CLC has realized the need and instituted a vocational program with training in AC, electrical, hairdressing, and aesthetics for the many older learners (ages 15-19) who have successfully completed the four levels of academic education.

“Before coming here I did not think of God and never thought I [could] talk to Him. Now I pray [to] Him every day and I learned that He listens to us”.

— Julie, an 8-year-old Kurdish Syrian student at CLC

Project goals:

- Provide education opportunities for disadvantaged children who cannot attend a formal school. These children are from a wide variety of people-groups living in Lebanon (i.e. Syrian, Iraqi, Lebanese, etc.).
- Provide a safe space for children and their families to heal from the past and have hope for their future.
- Create a safe environment for children and their families to make a decision to become followers of Christ.
- Build a new generation of believers and leaders from Syrian and Iraqi Arab Islamic backgrounds who can reach their communities in their home countries with the Gospel of Christ.

Sponsoring a Child or Youth at CLC

- A contribution per co-sponsor of \$35 monthly per child is suggested. Sponsorship donations are used to meet all of the needs of the CLC including education, transportation, food, medical attention, spiritual journey, trips, and psychosocial support.
- Sponsorship funds are pooled at the Fellowship office in an account designated for CLC which allows FAIR to provide a stable monthly amount that will ensure their budgeted operational expenses are consistently covered.
- Syrian and Lebanese staff are employed to provide much of the required care.

FAIR Commits to Each Sponsor to:

- Provide regular newsletter and video updates on the people and events associated with the CLC.
- Invest all donations in the CLC less 15% which covers the administrative costs of the project.
- Supervise/Monitor the project alongside Fellowship International missionaries, Bechara and Roula Karkafi who are Directors of the ministry at the Clementia Life Centre.
