

# Catch the Vision

special appeal

## Who is your neighbour?

In the parable of the Good Samaritan, Jesus illustrates that your neighbour isn't always who you think they are (Luke 10:25-37). They might not look like you, speak your language, or understand your culture. They might not live on your street or even live in the same country as you. But just like the good Samaritan, as followers of Jesus we are called to see the needs around us and respond, with mercy and compassion, with our time and finances.

FAIR exists to alleviate human suffering and facilitate social development. We do this by partnering with churches and like-minded organizations. FAIR acts as the eyes – identifying the needs of our global neighbours – the mouth – communicating the need with Fellowship churches and donors – and the hands – helping Fellowship International missionaries and the local church who are uniquely placed to be able to meet the need. FAIR helps those with listening ears and generous hearts to be loving neighbours in a global context. **The Love Extended FAIR Catalogue of Projects** is a resource developed specifically to showcase a wide range of humanitarian aid and social development needs.

Four of the projects found in the **FAIR Catalogue** are in particular need of support from global neighbours. To help highlight these needs, FAIR's Winter 2024 special appeal, **Catch the Vision**, is seeking to raise \$160,000. Funds raised will be distributed between the four projects, making it possible for Fellowship International missionaries to love their neighbours in these practical ways.

Whether it's supporting surgical training in Madagascar, providing a safe place to learn and play for children in Sri Lanka, vocational training in Pakistan, or supports for inmates in the MENA and Stan regions, each project brings both the truth of the Gospel and tangible love in action to those who benefit from them.

## Would you prayerfully consider how the Lord is calling you to respond?

- **Out of the Waiting Room** (Madagascar) is seeking to raise \$50,000 to support the surgical residency and discipleship program at the Good News Hospital.
- **Love Trust Building Repairs** (Sri Lanka) is seeking to raise \$35,000 towards preschool building repairs and toward acquiring resources to ensure the Love Trust Fellowship Child Sponsorship ministry is able to provide for the holistic needs of children and families in all communities impacted by its programming.
- **Pakistan Community Development** (Pakistan) is seeking to raise \$25,000 to support Gospel-centred community development within an unreached people group.
- **Project Freedom** (Middle East, North Africa, and "Stan" regions) is seeking to raise \$50,000 to bring compassion and the hope of the Gospel to prisoners and former inmates through food supports inside prison, and small business supports to facilitate a life of integrity after being released.
