

## ***Journey With a Child*** special appeal

[fellowship.ca/JourneyWithaChild](http://fellowship.ca/JourneyWithaChild)

# Joy Foundation (Dominican Republic)

Life in the Dominican Republic is not easy for illegal Haitian immigrants. Finding stable work can be challenging, and parents often find it difficult to provide even the basics to their children. These little ones often go hungry for food, love, and attention. Joy Foundation seeks to provide spiritual, mental, and physical support for these children, sharing with them the immediate hope of a better life through education, food, and medicine programs, and the eternal hope of a close relationship with God.

Joy Foundation has an immediate need for financial stability as it seeks to serve its current students and also accept more children within Santiago and Puerto Plata. Funds raised through FAIR's ***Journey With a Child*** special appeal will help support the operational needs of Joy Foundation. This includes school supplies, food packages for families, facilities maintenance, and staffing requirements.

You can invest in the future of a child through Joy Foundation by making a donation to ***Journey With a Child*** today.

We encourage you to consider becoming a sponsor at \$35/ month (\$420 annually) to ensure the children and youth at Joy Foundation continue to have access to the holistic care they need to have love for today and hope for tomorrow.

The Fellowship Child Sponsorship program is a ministry of Fellowship National and is managed by Fellowship Aid and International Relief.
