

Fellowship National Day of Prayer

NATIONAL REQUESTS

President

Steven Jones

- Pray that the bold preaching of God’s Word in our churches will transform the lives of God’s people.
- Pray for the missional health of our local churches as we continue to navigate through COVID-19 restrictions and seek to reach this generation with the Good News of the Gospel.
- Pray for our President as he stewards a process over the next year in preparation of a new Fellowship National Strategic Plan entitled, “*Catalyze: Disciples making Disciples Everywhere*”.

Chaplaincy

- Pray for a stronger connection between our chaplains and our churches, that churches would see chaplaincy as an extension of their ministry to the community.
- Pray that the many lives touched daily by our chaplains would be impacted with the love, compassion and grace of God through the interactions they have with our chaplains.
- Pray that God would continue to raise up individuals who would desire to impact their communities through chaplaincy and that our current chaplains would not grow weary or discouraged.

Francophone

- Pray for the adaptation of new missionaries serving in the AÉBÉQ Region from various countries: US, Brazil, France, and English-speaking Canada.
- Pray for the Lord to send God-called and qualified workers from our churches to serve in Francophone Canada.
- Pray for the raising up of partners for Francophone church plant projects from churches and donors from across Canada.

Fellowship International

Director: Dave Marttunen

- Praise the Lord for long- and mid-term missionaries deployed through 2019-2020: - “ECM” (Hamilton, ON to work with immigrants), Ron Fairbanks (working with immigrants in the Greater-Toronto area), Andrew and Tanja Rokeby (Japan), Daniel Pickerill (Japan), Dr. Jesh and Julie Thiessen (Madagascar), “KMCY” (Hamilton, ministering to international students).
- Pray for missionary candidates who are in the discernment phase (pre-appointment) with Fellowship International.
- Pray to the LORD of the Harvest that God will continue to raise up more missionaries from our churches and through our partners to advance His Kingdom.
- Pray for abundant fruit on all our fields particularly for those implementing Disciple-Making principles.

FAIR

Director: Dan Shurr

- Pray for strength and endurance for Fellowship missionaries in Lebanon (Anayssi, Karkafi, Vandergaag) as they provide relief (medicine, meals, clean up, etc.) to families impacted by August’s Beirut port explosion. Pray for opportunities to build relationships and that multiple disciple-making movements would be started as a result of their efforts.
- Pray that the Lord would provide for the financial goal (\$80,000) for the *Weathering the Storm* appeal. Pray that missionaries overseeing the distribution of funds to those significantly impacted by the COVID-19 pandemic cross-culturally would have significant opportunity to share the love of Christ in tangible ways and development relationships.
- Pray that those in Venezuela who are being ministered to through the *Lifeline* mini-appeal will be receptive to the Gospel as they receive much needed relief supplies. Pray that the Lord would provide for the goal of \$25,000 which will cover the cost of shipping much needed food and other supplies from Canada.
