Stand by Me special appeal

This Fall, FAIR launched the *Stand by Me* Fall special appeal. In partnership with Polish and Ukrainian churches ministering holistically to the needs of displaced Ukrainians, funds raised will be used in five strategic ways:

- distribution of food and basic essentials
- family retreats for those experiencing trauma and loss
- children's camps and orphan care to help children heal from trauma
- frontline ministries
- strengthening the local church through counseling, training, and encouragement of leaders
