

Winter 2025

Fellowship International

Director's Greetings

This past year at Fellowship International we have seen God move powerfully. Thank you for co-labouring with us through your prayer, support, and people. You play a vital part in the success of our mission. We are deeply grateful for your commitment to see Jesus' Great Commission fulfilled in our world. I hope you are encouraged and just as excited as we are to see how our God will move in 2025!

Benjamin Porter

Fellowship National Conference

Every year, we eagerly look forward to our Fellowship National Conference. It's always a special time not only to reconnect with our churches' delegates, but also to welcome our missionaries from around the world to be present with our Fellowship family. Last November, we were honoured to have over 25 missionaries join us in Niagara Falls. You may have seen them at various workshops, at "Cafe International", or on the big stage during some of our main sessions. We hope you had the opportunity to make meaningful connections with some of our awesome missionaries. In case you couldn't attend this time, we have [provided a video](#) of a panel discussion with some of our missionaries based in Lebanon.

FROM THE FIELD

Open Doors and Open Hearts in Lebanon

As was communicated by our missionaries serving in Lebanon, last fall was a turbulent time for people living in Lebanon. However, we have been so blessed to see the tenacity and passion of our missionaries throughout the war. Here's one story that Gladys Sebali shares with us.

“Our team visited a home where people had been displaced, and when we arrived, two girls answered the door. Their parents were not home and our team initially thought about leaving. However, the girls invited us to stay and explained that they knew we were Christians and wanted to ask us some questions. They eagerly inquired about the differences between our religion and theirs. Seizing this opportunity, our team shared the message of Christ and His salvation with them. The girls were deeply moved, and by the end of the conversation, they asked, ‘Could you bring us a Bible?’ One of our team members showed them how to download the Bible app on their phones and we promised to follow up with them every week. All the time, we are hearing stories of how God is touching hearts and transforming lives even during this war.”

We encourage you to consider partnering with [the Sebalis](#). Also, consider supporting FAIR's [Lebanon emergency appeal](#).

Bienvenue, Elisabeth Aubut

God is faithfully growing the Fellowship International family and we are so blessed to welcome our newest missionary appointee, Elisabeth. With a calling to equip young French-speaking women in Québec, her mission is to spark a multiplication of disciples throughout the francophone province.

Elisabeth shares, “*Québec is truly a mission field with less than 1% of the population attending an evangelical church. There is an urgent need for solid disciples ready to multiply. Women often outnumber men in churches, yet few are able to serve fully in their gifts.*” Working with initiatives from AEBEQ (the Fellowship's Francophone Region) and other organizations like SOLA Femmes Scriptura (TGC Québec) to produce relevant, Gospel-centred resources and leadership development pathways, her goal is to raise up local leaders who can support women within their own church communities.

Please consider partnering with [Elisabeth](#) as she launches her ministry with Fellowship International.

Sign up for an EPIC Summer!

While it may feel like the off-season, our EPIC and Onside missionary team have been busy behind the scenes gearing up for another year of summer sports camps. If you're looking for a safe, Christ-loving, fun camp for children to grow in their sports skills and faith, register today to secure your spot before they fill up!

Please help [spread the word](#) to your young church families.
